ABOUT US

GUANGDONG EVERPRETTY FURNITURE CO. LTD.

was founded in 1994 and specializes in designing and manufacturing commercial furniture such as Educational Furniture, Medical Furniture, and Hostel/Dormitory Furniture. Everpretty has more than 79,100+ square meters production land, with 6 advanced production lines, covering almost all categories of commercial furniture. After 30 years of development, we have exported to over 68 countries & served more than Seventy Thousand customers. Our R&D, design, sales, production, and after-sales teams are highly experienced and professional and can provide customizable solutions for commercial furniture. We prioritize customer satisfaction by providing high-quality goods, trouble-free customer service, and creating value for our clients. Our extensive experience in international trade has enabled us to develop a global, professional management system, which in turn allows us to offer long-term professional and high-quality service.
